Bijnor Sisendi Road, Near CRPF Camp  
Lucknow, U.P (India)-226002

## About Symposium

NIPER-R Symposium is an annual event being organized by **National Institute of Pharmaceutical Education and Research (NIPER), Raebareli**. The 11<sup>th</sup> NIPER-R Symposium on “**Natural Product Based Therapeutics in Drug Development**” scheduled to be held at **NIPER-R, Lucknow, India** on **14<sup>th</sup>-15<sup>th</sup> Feb, 2019**.

## Scope and Objective

This symposium will extend an excellent opportunity to students and research scholars to interact with distinguished researchers and experts in the field of pharmaceutical sciences and medicinal chemistry from renowned and established institutes as well as industries. The students and research scholars will be benefitted from the research experience of the experts through plenary lectures and invited lectures. Besides, the symposium will provide platform to research scholars for sharing their research work and innovative ideas through oral and poster presentation and discussion.

## About NIPER, Raebareli

The NIPER-R, an academic institution under the Department of Pharmaceuticals, Government of India, has been created as a centre of excellence for higher education, research and development in pharmaceutical sciences. The institute offers M.S. (Pharm.) courses in Medicinal Chemistry, Pharmaceutics and Pharmacology & Toxicology and Regulatory Toxicology disciplines. The institute has a beautiful campus located in Bijnor area near CRPF Camp, Lucknow. The mission of the institute is to impart quality and value-based education to create competent professionals and to promote R & D activities. The institute offers innovative teaching-learning methodology, state of the art laboratories, and resources for students so that they become competent professionals ready to deliver their service to pharmaceutical industries and academia. For more details, please visit: [www.niperraebareli.edu.in](http://www.niperraebareli.edu.in).

## About Lucknow

A multicultural city of historical importance situated on the banks of the river Gomti, Lucknow is the capital of Uttar Pradesh. This lively city is known for its sophisticated culture, brilliant handicrafts and exquisite cuisine. It is a home to wonderful monuments with enthralling blend of colonial and modern architecture. Lucknow is a hub for biomedical research in northern India with several R&D institutions and academic centers.

## Submission of Abstract

Abstract should be of maximum 250 words for poster presentation on the theme covered in the symposium. All abstract should contain Title (14 font size, bold face), followed by authors (12 font size), affiliation (12 font size, italicised) , text-body (12 font size) in Arial font on an A4 size paper having following margins (Top- 3.0 cm, Below- 2.5 cm, Left-3.2 cm, Right- 3.0 cm). All participants are encouraged to submit their abstracts.

In oral and poster presentation researchers will be awarded 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> prize.

The abstract must be sent as word document (doc/docx file) by E-mail to: [niper.symposium@live.com](mailto:niper.symposium@live.com)

## Important Dates

**Registration and Abstract submission deadline:** 15<sup>th</sup> Jan 2019

**Acceptance Notification:** 1<sup>st</sup> Feb 2019
