

10th NIPER-R Symposium (March 27-28, 2018)

LIST OF ACCEPTED ORAL PRESENTATION PARTICIPANTS

No.	Author Name	Topic	Affiliation	Email ID
OP01	Gitu Pandey	Glyco-conjugate Assisted CD44 Targeted Nanocrystalline Docetaxel Delivery for Improved Efficacy and Reduced Off-target Toxicity via Lysosomotropic Pathway	CSIR-CDRI Lucknow	gitupandey@gmail.com
OP02	Jamal Akhtar Ansari	GC-MS/MS Analysis of Anticancer Fraction from <i>Tinospora cordifolia</i>	KG MU, Lucknow	jamalakhtarindia@gmail.com
OP03	Kiran Yadav	Formulation and optimization of poly-L-lysine surface functionalized bovine serum albumin nanoparticles of noscapine	Indira Gandhi University, Haryana	kiranyadav24@yahoo.co.in
OP04	Mamta Shukla	Agro-waste materials: A rich source of antioxidants and Nutraceuticals	DBPG College, Raebareli	ti80mamta@gmail.com
OP05	Vasvi Adarsh Java	Nanomedicine Value Chain: Cost effectiveness and Commercialization	Maharshi Markandeshwar University, Ambala	shukla.vasvi@gmail.com
OP06	Smita Verma	Remarkable Binding of Thioflavin-T to C-Myc G-Quadruplex	NIPER, Raebareli	
OP07	Kartikey Singh	Synthesis of β -C-Linked 2-Arylamino-pyrimidines and β -Cyclohexenone C-Glycosides as H3 Receptor Antagonists	CSIR-CDRI Lucknow	rpt.cdri@gmail.com
OP08	Pragati Baranwal	Phenyl Cyclopropyl Methanone-Linked N-Heterocycle as Positive Allosteric Modulator of 5-HT _{2C}	CSIR-CDRI Lucknow	rpt.cdri@gmail.com
OP09	Shakti Nagpal	Quality by Design approach in development and evaluation of Nanocrystals of Quetiapine for improvement in solubility and bioavailability	BITS, Pilani	nagpal.shakti123@gmail.com

Time of Presentation

Date: 28 March 2018 at 08 30 AM

Guidelines

An oral presentation: 7 minutes for presentation and 3 minutes for questions/discussion. Speakers should rehearse their presentation and remain within the allotted time. Microsoft PowerPoint is highly recommended, and LCD projector and computers will be available. Bring your presentation on a CD/ USB drives as backup. Try not to exceed a maximum of 15 slides (including your title and Thank you). The Microsoft PowerPoint file of your presentation should be pre-loaded onto computers in Symposium Hall.
